School Bus Safety Week October 20-24, 2014

The National School Transportation Association (NSTA) and the National Association for Pupil Transportation (NAPT) are promoting **School Bus Safety Week, October 20-24, 2014**.

School districts are encouraged to plan special events highlighting school bus safety. Over 60,000 students ride a school bus to and from school each day in Montana. There are about 2,900 school buses that travel over 17 million miles per school year on school bus routes in Montana. As a nation, approximately 22.5 million, or 54% of all K-12 students ride school buses to and from school.

Contact your district's pupil transportation director and plan educational activities to teach pupils, parents and motorists about school bus safety. For additional information visit some of the web sites listed below. **Encourage teachers and students to take part in the annual National School Bus Safety Week poster contest.**

Young artists get a chance to win prizes and have their posters entered in the national contest! Poster contest rules and entry information are enclosed for your convenience.

There must be a 3" x 5" card/entry blank securely fastened to the back of the poster which includes the student's name, grade, age, teacher's name, school name and school address. Do not place name, school, etc., on the front of the poster. Display information on the back only.**

Designs should be submitted on quality tag, poster illustration board or heavy paper. Construction paper may be used but winning entries must be mounted on quality tag poster. Lamination is not permitted, and will disqualify the poster. Cut paper/stencils (freehand or pre-drawn stick-on stencils) are not permitted and will disqualify the poster.

There is no limitation on the use and number of colors.

There is no limitation on the type of media -- such as print, crayon, felt pen, etc. -- used on the poster design; however, wood, plastic, glass or metal should not be part of the poster. Collage materials should not be used. Glued on pieces will eliminate the poster.

Poster designs may not incorporate any copyrighted characters (i.e., comic and/or television characters), photographs, and magazine or newspaper illustrations.

Every poster and slogan must harmonize with the 2014 poster contest theme:

Be Smart-Be Seen, I wait in a Safe Place!

(Contestants must illustrate above theme only, and the theme must be exactly as shown above on the poster.)

Drawings must be original, correct in safety concept and the exclusive work of the student entering the contest in idea, design and execution. All artwork should be positive in approach, demonstrating only proper school bus safety behaviors. At least a part of a yellow school bus must be present in the poster.

An art instructor or art teacher should supervise all work.

Lettering & Drawing:

The poster design may incorporate freehand drawn letters only. Stenciled, pre-printed, manufactured stick-on or press-on letters or tracings may not be used and will disqualify the poster. Lettering should be clearly legible, even if used as part of the poster design.

Contest Infrastructure:

The National School Bus Safety Poster Contest is sponsored each year by the National Association for Pupil Transportation, the National Association of State Directors of Pupil Transportation Services and the National School Transportation Association.

The National School Bus Safety Poster Contest is supported by a state/province level infrastructure. **The national contest is open only to winners of state/province contests or contests held by overseas US military installations. No other posters will be accepted. Contact your state director of pupil transportation or the NAPT headquarters for information about where to submit posters in your state contest.**

Each participating US state, Canadian province, or overseas US military installation may submit one (only *first-place* winners) winning poster in each of the following categories: Division #1 - Grades K-2; Division #2 - Grades 3-5; Division #3 - Grade 6-8; Division #4 - Special Education; Division #5 - CAD (Computer Aided Drawing). There is also a separate contest for International entries (Division #6):

Please Note: Divisions #5 - CAD and International entries (Division #6) are eligible for competition within those respective divisions but are not eligible to be the Overall Contest Winner.

Students who live in a US state, Canadian province or overseas US military installation that does not have a contest may submit entries directly to NAPT National School Bus Safety Poster Contest committee for evaluation and potential selection for national competition.

No more than 5 posters from each state/province may be entered in the national contest (one in each Division).

Winning posters from each participating state/province/overseas US military installation must be mailed first class in a flat envelope to:

When Can Posters Be Drawn?
