(Elementary and High School)

**Instructions:** (use separate form for each student)

**Parent/Guardian or Official of Placing State Agency/Court or District:** Complete Part I and submit to clerk of District of Choice. Use one form for each student. You should receive a copy of the form back, indicating approval or denial.

**District of Choice:** Trustees may act on this application when submitted by a parent/guardian or placing state agency or court official. District may admit the student without approval of this application if tuition and transportation charges are both waived. However, the district may not count the student as an "eligible transportee" for state and county transportation reimbursement without the signature of the resident district on this application. **If approved:** send copies of the approved form to: 1) parent/guardian or official of the state agency/court; and 2) clerk of the District of Residence. **If not approved:** send copies to parent/guardian or official of placing state agency/court.

**District of Residence:** (Approval in Section IV is necessary to allow District of Choice to transport the non-resident student as an "eligible transportee" for purposes of state/county transportation reimbursement OR if District of Residence is responsible for paying tuition.) **If approved,** send copies to: 1) parent/guardian or official of placing agency/court; 2) clerk of District of Choice; and 3) county superintendents of each county. **If not approved,** notify parent/guardian and District of Choice.

**County Superintendent of District of Choice:** (For placements only) Signature is required if the county will pay tuition or transportation. Send copies to: 1) Clerk of District of Choice; and 2) County Superintendent of District of Residence

### SECTION II: TRANSPORTATION – TO BE COMPLETED BY DISTRICTS OF CHOICE AND RESIDENCE

Parties must specify here the responsibilities and costs for transportation. Districts can charge for transporting nonresident students if costs exceed the amount reimbursed to the district by the state and county (i.e., may charge "over-schedule" costs) For parent requests, mileage reimbursements can be provided only for the distance from the home to the closest school or bus stop, less 3 miles each direction, regardless of which school district the student attends.

**NO TRANSPORTATION** will be provided. Parent/guardian will transport at their own expense. **(GO TO SECTION III.)**

Check all that apply	<p><b>District of Choice will provide transportation:</b>          In order to claim a non-resident student as an "eligible transportee" for purposes of state and county reimbursement, the approval of the District of Residence is required in Section IV. **SECTION III: TUITION COSTS – TO BE COMPLETED BY DISTRICT OF CHOICE**

“Mandatory” means the attendance meets criteria in Section 20-5-321, MCA. Both districts must accept the attendance request if any of the following is true: (a) Student lives closer to school the student wishes to attend, and more than 3 miles from own school, and the resident school does not provide bus transportation or mileage reimbursements; (b) The County Transportation Committee has determined that geographic barriers make it impractical for student to attend his own school; (c) Another child of the student’s family must attend high school in a different elementary district, and the student can more conveniently attend in the elementary district where the high school is located, AND the elementary student lives more than 3 miles from his own school; (d) Student is placed by court in youth care facility (abused, neglected, dependent, or youth in need of supervision); or (e) Student is placed in foster care or a group home by parent, state or court.

“Discretionary” (20-5-320, MCA) means conditions do not require mandatory acceptance. Trustees of either district may disapprove the application.

NOTE: Tuition for students in special education or students without disabilities who are placed in group homes or residential treatment facilities may include a regular education rate and an additional special rate. In that case, the tuition amount is the sum of the regular ed rate and the special rate.
