<u>Athletic Academic Commitment</u>

Student and Parent Contract with Gallatin Gateway Teaching and Coaching Staff

Gallatin Gateway School believes that every student has the right to the best education this community can provide. Responsibility for this rests through active participation of students, parents, and school staff. <u>Academic school work must come first.</u>

Athletics require a tremendous amount of hard work, discipline, and time management. Students must be expected and required to carry both an academic load and a physical load if they choose to participate in sports.

When a student falls behind in classroom work due to sports, Gallatin Gateway staff will be notifying parents in the following manner:

1) 1 late assignment = student will call parent
2) 2 late assignments = student will call parent again
3) 3 late assignments = <u>Parent meeting at the school with teachers and coaches</u>.

This will be enforced. Be sure to check with your child and your child's teacher before Friday to evaluate the status of your child's grades.

<u>Homework Hotline can be called daily – 763-4476</u>

4th grade – ext 20
5th grade – ext 18
6th grade – ext 19
7th & 8th grade – ext 16
Mr. Coon – ext 23
Mr. Mohr – ext 30

>>>

<u>DAILY GRADES</u>

Grades can be checked online every day to find late assignments:

STEPS:
1 www.gallatingatewayschool.com
2 PowerSchool icon on the home page
3 Enter child user name and password

**Call the office if you do not have user name and password.

****

I agree to keep my child's academic progress monitored. I will be active in reviewing my child's day planner, homework hotline, and online grades. I will agree to meet with staff along with my child if my child misses multiple assignments so we can develop a plan of action for my child's success.
