Excerpt from GGS Policy #1441- Audience Participation

Audience Participation

The Board recognizes the value of public comment on educational issues and the importance of involving members of the public in its meetings. The Board also recognizes the statutory and constitutional rights of the public to participate in governmental operations. To allow fair and orderly expression of public comments, the Board will permit public participation through oral or written comments during the “public comment” section of the Board agenda and prior to a final decision on a matter of significant interest to the public. The Chairperson may control such comment to ensure an orderly progression of the meeting.

Individuals wishing to be heard by the Chairperson shall first be recognized by the Chairperson. Individuals, after identifying themselves, will proceed to make comments as briefly as the subject permits. The Chairperson may interrupt or terminate an individual’s statement when appropriate, including when statements are out of order, too lengthy, personally directed, abusive, obscene, or irrelevant. The Board as a whole shall have the final decision in determining the appropriateness of all such rulings. It is important for all participants to remember that Board meetings are held in public but are not public meetings. Members of the public shall be recognized and allowed input during the meeting, at the discretion of the Chairperson.
