

Gallatin Gateway School Primary Care Clinic

Gallatin Gateway's primary care clinic will be opening **August 29, 2014**. The clinic will be staffed by nurse practitioner Dr. Barbara Schaff to provide care at Gallatin Gateway School on most Fridays.

Who can use the clinic?

Gallatin Gateway students are welcome. Individuals can make appointments or be referred by parents/guardians or school staff.

What does the clinic provide? What is the cost for a visit?

The clinic provides at-school health care and is free of charge to each student. Care can include, but is not limited to:

- Illness
- Learning/behavior related medical problems at school or home
- Special physical exams (e.g. sports physicals as needed)
- Assistance with chronic health conditions (e.g. diabetes, asthma)

Where is the clinic?

The clinic is located at Gallatin Gateway School.

When can one receive clinic services?

The clinic will be open most Fridays during school hours. Parents wishing to discuss specific health issues with the nurse can also leave a message and the nurse will return your call.

How does one access the clinic?

Students must have parental/guardian permission to be seen in the clinic. Appointments can be made in person at Gallatin Gateway School office or by phone (763-4415).

--PLEASE RETURN TO THE GALLATIN GATEWAYS SCHOOL--

MARK YOUR PREFERENCE AND RETURN before August 29, 2014
