1st, 2nd, and 3rd Grade Field Trip

Gallatin Gateway School, MT- Gallatin Gateway's 1st, 2nd, and 3rd graders participated in a wonderful, fun filled field trip to Spire Climbing Center and the Gallatin County Regional Dinosaur Park. At Spire, students were taught climbing techniques, climbing safety, proper use of climbing equipment, and the fundamentals of climbing movement. The generous staff at Spire taught all these techniques and more to our excited students. After a morning of climbing, they traveled to the Dinosaur Park for a sack lunch picnic and outdoor station activities.
